Texas Technology for All Petition

1

Sign the petition

With all the signatures we gather, we will ask Governor Abbot to work with AUTMHQ and other organizations as well as the Broadband Development Council and Operation Connectivity to increase representation for underserved communities.

2

Spread the word and tag @autmhq

Once you have signed the petition, help us reach our goal of one million signatures by sharing your commitment to technology access on social media. Use icons on the right to visit our social sites and tag us in your content.

3

Make your donation

Donations go directly towards our three main impact areas:

1. Providing internet access
2. Distributing computers
3. Teaching digital skills

We've made incredible progress, but we still need your support! So far, we have received over 2,150 signatures and donated more than 275 computers to organizations and individuals.

About AUTMHQ

Austin Urban Technology Movement (AUTMHQ) bridges the gap between the Black and Hispanic communities and the technology industry through job placement, career development, and networking opportunities. Learn more
